

CLAVET SCHOOL COMMUNITY COUNCIL (SCC)

~ REMIND 101 App - TEXT REMINDERS and UPDATES~

WHAT- The Clavet SCC sends text reminders and updates to Clavet parents, students and teachers using the Remind 101 App with information about what is happening in our school and community. This app does not have the option for you to reply to the text reminders and updates.

HOW- You have 3 options to receive reminders and updates from the Clavet SCC (You do NOT need to download the app):

1. For PreK to Grade 6 only: Text the code @prekto6 to phone number 902-816-0752. Then follow the instructions texted to your smart phone.
2. For Grade 7 to 12 only: Text the code @gr7to12 to phone number 902-816-0752. Then follow the instructions texted to your smart phone.
3. You can also join both if you want to receive reminders and updates for both elementary and high school. In order to do this, follow the steps in 1 and 2.

You can stop receiving these reminders and updates at anytime by replying with @STOPALL
