Stacey Kemp is returning from maternity leave and sharing a position with Kate Dufour in Grade 7 Room and Home-Ec till Christmas, after Christmas Stacey returns full time  
Cameo Rempel is gone next school year for maternity leave

**Covid News:**

Since the covid situation is so fluid at this time, due to restrictions in place we will probably not be able to hold our annual BBQ

Need a communication method between parents and teachers Google Meets (like zoom)

Need to try and find a way for SCC to be involved in Google meetings to represent

No parents will be allowed in the building in September unless things change

The situation is very fluid and our PSSD will have 2 to 3 check in points with parents over the summer to let us know how things are proceeding. An email will come from the division with an update on August 7<sup>th</sup> and 24<sup>th</sup>.

There is a 10 member group from PSSD that will be meeting over the summer for 15 hours to discuss blended learning ideas and what that will look like

Items that need addressing are if the student is sick or teacher, they need to stay home, what is our sub situation going to look like, we have to consider who will be driving and the buses, where do we put all the parents driving, classroom sizes, sanitization and cleaning issues, indoor and outdoor sports, staggered recesses, lots for discussion  
Google Classrooms is the platform of choice for Clavet School for the new school year

**Report Cards:**

Report cards are set to come out this Friday, teachers will be sending electronically thru the day and Monday is still left to deal with any matters that need addressing

**Next Meeting:**

Is Wednesday, September 16, 2020 at 5 pm.
