Clavet School

ADMINISTRATOR'S MESSAGE

As we continue to work around the challenges of our construction project, it's important to keep in mind the end product towards which we are working. This architectural rendering was provided last week and it provides hope for the revitalized facility that we will enjoy. The project is still on track for completion in the fall of 2022. This is great timing for the school, since the 2022-2023 school year marks the 60th anniversary of the construction of the original phase of Clavet School. We are in the initial stages of planning a 60th anniversary celebration which we hope to host in our new building on the Thanksgiving Day weekend. If you are interested in assisting with the planning and preparations for the celebration, please contact the school.

Although our recent weather doesn't reflect it, we are in the spring season, which is cause for a reminder of the Clavet expectations around driving. Students are not allowed to spend breaks in their vehicles, nor are they allowed to drive during the breaks throughout the day. Thank you for your support of our efforts to keep all students safe.

I hope you had an opportunity to get an update on progress of your children at the interviews and/or through the report cards. Please note the high school progress can be seen on PowerSchool at any time. Through our continued efforts to work together, we can continue to progress towards the goals for achievement that you have helped to establish for your children.

Another big reason for the success of the school is the work of our administrative assistants. Administrative Assistant's day is Wednesday, April 27th. Please join us in showing our appreciation for all that they do to keep our school running smoothly – especially in the midst of the construction and COVID protocols we have had in place.

On behalf of the staff at Clavet School, we would like to wish you all a safe and Happy Easter break.

Commitment to providing a safe environment for students and staff

Our ongoing commitment is to provide a safe environment for students and staff. Prairie Spirit will continue to follow the advice of our local Medical Health Officer and the Chief Medical Health Officer as we support safe learning environments in our schools. We continue to follow enhanced cleaning and disinfection protocols at schools. We encourage students and staff to self-monitor for symptoms of COVID-19 and other illnesses. We expect students and staff members to stay home if they are unwell.
