## **ADMINISTRATOR'S MESSAGE**

With the approach of the May long weekend and the official start to summer in Saskatchewan, we are looking towards the end of the school year. This is associated with a number of traditional activities that students, staff, and parents always look forward to. The high school students are looking forward to track and field competitions; grade 12 students are looking forward to grad; and the elementary students are looking forward to the standards meet and year end field trips. It promises to be a busy end to the school year.

Initial preparation is occurring for **student placement** in next year's classes. The process to assign students to classrooms is undertaken with a great deal of thought and student programming needs are at the center of the decisions we make around class placements. Our goal is for every student to have the best opportunity to experience success. We take pride in maintaining a homeroom philosophy from kindergarten to grade 10 because we believe it is essential in maintaining home contact and addressing the needs of the whole child. In making the decision for student placements, we take into account

1. Resource Room needs to support student programming; 2. Teacher recommendations based on experience with the groups of students to address the learning needs of all students; and 3. Class placement surveys to honour parent and student voice.

If you feel that you would like to contribute to the process, please submit your information in writing to your child's homeroom teacher **before June 1<sup>st</sup>** on the Class Placement survey that your homeroom teacher will provide for you. Such information could include peer combinations to encourage or avoid; and any health or family concerns that may have an impact on a child's potential to learn. *We request that you remember and respect that this is **not** an opportunity to choose a teacher for your child; rather it is an opportunity to provide information to be considered in the placement of your child.*

Enjoy the remainder of the spring.

## COUGAR NEWS

### Bookland

The PreK to grade 6 game of Bookland is off to a good start! Several classes are well on their way to earning the prize at the end. Please continue to submit the minutes your child spends reading through the online form or a paper form that your child's teacher can send home. If you need more information about the game, please email [cameo.rempel@spiritsd.ca](mailto:cameo.rempel@spiritsd.ca) The game ends on June 22, so there's plenty of time left. Happy reading!

### Track and Field Fun Day

On May 26<sup>th</sup>, the Kindergarten to Grade 2 students will be participating in the Track and Field Funday. They will make their way around to different stations with their group members and leader to participating in each activity. Each activity is based on track & field events however there will be an added twist to each event. We invite parents to join us for a picnic lunch at 11:45AM outside

## Sr. Badminton

Clavet had a small group of Sr. Badminton players this year that included Ethan B., Max P., Parker D., Jordan O., Tash Y., Joey Y., Jackson S., & Aiden L.. Through the many practices and games played, the team really developed their individual skills and team play. Conference playoffs were held in Warman at the Legends Centre on Wednesday, April 27. From that event Clavet saw 2 teams advance to Regionals at Rosthern High School on Friday, April 28: in Boys' Doubles, Max P. and Ethan B.; in Mixed Doubles, Tash Y. and Joey Y.. All teams improved a lot through the season and were notable in their good sportsmanship on and off the court. To all the players: Thanks for a great season and - well done!

to all of the patrons and volunteers who helped to make this year's fun night such a huge success!!

*Thank you!*
