ADMINISTRATOR'S MESSAGE

March

Congratulations to the basketball teams, most of whom have finished their seasons. The senior boys will be competing at the regional competition in Clavet this weekend, with the hopes of securing a spot in the provincial championship, Hoopla, happening next weekend in Moose Jaw. I would like to take this opportunity to thank all our coaches, and especially our parent and community coaches who have volunteered their time and expertise to help guide these programs. All teams competed hard and were great representatives of the school.

We are looking forward to hosting our parents for interviews on March 20th and 21st. This is a great opportunity for parents to connect with teachers to make plans for a successful last three months of the year.

We will again be presenting information, primarily aimed at our grade 9 parents in preparation for their transition to the grade 10-12 high school program. This meeting will take place on Wednesday, March 20th at 7:00 pm in the high school Link. This is important information for all students entering grade 10, but it is especially important this year since the ministry has changed the graduation requirements for all students in the province.

Enjoy the spring weather. Let's hope for a slow melt of the late snow that we received.
