Clavet School

## **ADMINISTRATOR'S MESSAGE**

It was great to have a normal start to the school year. There were no COVID restrictions in place; there were no areas of the school shut down due to construction; and the students came back to school after the Labour Day weekend. I have been asked many times how the start of the school year has gone, and I can honestly say that it has been one of the best start ups that I can remember.

Another reason for such a great start up is the approach that our staff are taking to the year. We are fortunate to have a strong, experienced core of teachers to lead culture and expectations in the building. This year, they are joined by some eager new staff who have shown enthusiasm and maturity in their approach to making Clavet such a welcoming environment for our students. We are grateful for the contributions of all our staff and the welcome addition of Kristen Mathison in the office.

We had a great turnout for the Welcome Back/Meet the Teacher barbecue put on by our SCC. We had our first SCC meeting last night and the council had the same impression as the staff – the event was well-attended and served to allay any apprehension that the students and parents had with starting another new school year. The SCC is looking forward to bringing back traditions like the Fall Supper. Please see the information later in this newsletter.

There is a lot of important information contained in this newsletter. Please read through it carefully. If you have any questions, please don't hesitate to contact the school.

Stay safe and enjoy the start of the fall season.

To purchase these lunches please go to [www.healthyhunger.ca](http://www.healthyhunger.ca) If you haven't used this website before you will need to create an account and then you can order all the lunches for the rest of the school year but you must order at least 5 days before any scheduled lunch.

If it is less than 5 days before the lunch and you know your student(s) will be absent on the day of the lunch, please phone the school office 306 933 1022 and let them know what you would like done with the lunch. If no instructions are given it will be given to a sibling if possible. If not, possible we will try to sell it to another student and the money will be reimbursed.
